

# Meeting November 8, 2016

Next meeting: November 15, 2016

We will be doing another LEGO Engineering Challenge next week.

Please bring the following materials to the next meeting:

- LEGO Minifigures
  - If you don't have any, that's fine. We should have a few extra.
  - Make sure you collect your minifigures at the end of the meeting to bring back home with you.

In November there will be no meeting on the 22nd (the Tuesday before Thanksgiving).

There is a FIRST Lego League competition at Ballston Spa Middle School on December 3rd.

<https://sites.google.com/site/hudsonvalleyfirstlegoleague/home>

If anyone is interested in meeting up there to watch some of the events let me know. Videos about FIRST Lego League are easily found on youtube.
