

## Meeting October 4, 2016

---

Next meeting: October 11, 2016

Next week's challenge is entitled "The Unsinkable Boat". Please bring the following materials to the next meeting:

- 25 Pennies (you can take them back home when we're done)

Welcome to the Young Engineer's Club!

After each meeting I'll send home some notes including requests for supplies and/or preparations for the next meeting. Please prepare before each meetup appropriately.

The club curriculum is available online if you're interested: <https://github.com/artdavis/youngengineers>
